

# Credit Card Agreement and Data Submission

## Key Dates Timeline<sup>1</sup>

On August 20, 2021, the Bureau issued new technical specifications for complying with credit card agreement and data submission requirements under TILA and the CARD Act (Regulation Z). Credit card issuers must now use the Bureau's "Collect" website to submit the following data to the Bureau: (1) quarterly credit card agreement submissions, (2) annual reports related to college credit card marketing agreements and data, and (3) Terms of Credit Card Plans (TCCP) Survey data. This chart provides an overview of important dates for each collection, including submission deadlines.

To access and use Collect, card issuers must fill out and email the Collect registration form to [Collect\\_Support@cfpb.gov](mailto:Collect_Support@cfpb.gov). The registration form is available at [https://files.consumerfinance.gov/f/documents/cfpb\\_collect-registration.pdf](https://files.consumerfinance.gov/f/documents/cfpb_collect-registration.pdf).
