2 CONSUMER FINANCIAL PROTECTION BUREAU | COLLEGE CREDIT CARD MARKETING AGREEMENT USER GUIDE V2

#### 1. Introduction to Collect

12 CFR 1026.57(d) provides that card issuers that were parties to college credit card marketing agreements in effect at any time during a calendar year must submit an annual report to the Bureau regarding those agreements. Card issuers are required to submit their annual reports for a given calendar year to the Bureau by the first business day on or after March 31 of the following calendar year.

This document provides a detailed walkthrough of how to submit an annual report related to college credit card marketing agreements and data through <u>Collect</u>. Collect is the website through which issuers must submit their annual reports to the Bureau. The Bureau will no longer accept any annual reports through emails, handwritten forms, faxed information, or any other channel or method. To access Collect, visit <u>https://collect.consumerfinance.gov</u>.

In addition to this detailed walkthrough of Collect, the Bureau has published additional resources to help financial institutions submit credit card marketing agreements and other information through Collect. These resources can be found at <a href="https://www.consumerfinance.gov/data-research/credit-card-data/">https://www.consumerfinance.gov/data-research/credit-card-data/</a>.

#### 2. Registering with Collect

The Collect website requires issuers to register for login credentials prior to using the website. To register with Collect, a representative must complete the Collect registration form. The Collect registration form can be found at

https://files.consumerfinance.gov/f/documents/cfpb\_collect-registration.pdf. The registration form requires the following information:

- the institution's name and headquarters location;
- the institution's identification number, which can be an LEI, RSSD ID, or Tax ID; and
- the name and contact information for a point of contact.

In addition to being the issuer's primary contact for Collect, the point of contact (POC) will be assigned an account with privileges to add or remove secondary user access for others at your institution. For example, the point of contact can provide a colleague with access to Collect in order to make College Credit Card Marketing Agreement submissions. If that colleague forgets or loses their login information, they can contact the point of contact to get help with accessing their login information or contact Collect support detailed in Section 7, <u>Contact Collect Support</u>.

Once the registration form has been completed, the form should be emailed to <u>Collect\_Support@cfpb.gov</u>.

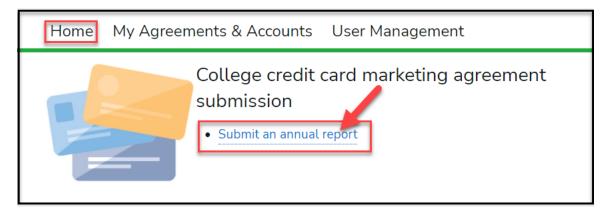

After processing your institution's registration form, the Bureau's Collect team will send a welcome email to the point of contact listed on the registration form. The welcome email will contain information about logging in to Collect. The Collect website can be accessed at <a href="https://collect.consumerfinance.gov">https://collect.consumerfinance.gov</a>.

### 3. Submit an Annual Report
